Hi Amos,

Thank you for your email (and Carol for the call yesterday). Yes, it should be fine to wait until Monday for Geraldine's comments. The variable is the due date for the filing, which the court was supposed to provide yesterday but which I haven't seen yet; I'll let you know as soon as I hear.

To that end, Alex Dunn (the head of OCSPP) announced during this morning's meeting that she is meeting with the Region 3 RA (Cosmo) at 4:00. I conveyed OECA's request to be included in that sort of discussion, so Alex is extending the invite to Susan Bodine as well. It's my understanding that it will be a small meeting with just the office heads; I'm not sure if OGC will have a role. I was asked to provide the existing Region 3, OCSPP, and OGC briefing papers for that

Please let me know if you have any questions. If I hear of any follow-up or summary from today's meeting, I'll let you know.

Hi Bethany and Brian,

Thank you for sharing the updated brief with us and letting us know about your planned conversation with OCSPP about this matter. I have a couple process requests.

The first is for more time to review the brief. Our only PCB attorney will be unavailable this week. If you could give us until next Monday so that she can review it when she is back in the office, that would be great.

Thanks,  
Amos
